- Used: Dart, Flutter, Web Scraping, Firebase, Email And Password Authentication
- Features: search and filter books, darkmode, list and grid view, download books, multiple download providers

TrueAuth | gRPC - rest Api | GitHub Repository   May 2023
- Standalone authentication gRPC and REST API
- Used: go, grpc-gateway, swagger(docs), migrate, pg, redis, sqlc, paseto(tokens), gmail-smtp, docker, goreleaser

Other Projects | GitHub Profile
- Tables(go), allows you to manage your database a more easier way by providing rest, grpc api to access tables
- WordpressToMarkdown(go), Export wordpress website to markdown for markdown based blog.
- Playtime(go), browse and play anime directly from terminal without any hustle, annoying ads and popups

PROGRAMMING LANGUAGES, FRAMEWORKS & LIBS , TOOLS AND SKILLS

- **Programming Languages:** **Golang**, **Typescript**, Javascript, **Dart**, Python, Bash, HTML,CSS, Markdown, SQL
- **Frameworks & Libs:** **Nextjs**, **Astro**, Qwik, React, **TailwindCss**, AG-Grids, Daisyui, Shadcn/ui, Mantine, **Echo**, Gin, **Grpc-Gateway**, FastAPI, Swagger Docs, OpenAPI Swagger Docs, **Postgres**, MySQL, SQLite, Firebase, MongoDB, etc.
- **Others:** SEO, **Web Scraping**,Nx, Docker, Github, **Photo Editing**, Video Editing, MS Office, **Linux**, **Directus**, Strapi
- **Soft skills**: Continuous Learning, Innovative thinking, Good communication, Problem solving, Team Leader

EDUCATION

Information Technology - Bachelor of Technology	Dr. A.P.J. Abdul Kalam Technical University - 2020
Joint Entrance Examination (JEE ADVANCED)	Chaitanya Bharathi Institute Of Technology, Hyderabad - 2015
Class XII - Central Board Of Secondary Education	KV No 2 Air Force Academy, Dundigal, Hyderabad - 2015
Class X - Central Board Of Secondary Education	KV No 2 Air Force Academy, Dundigal, Hyderabad - 2013

CERTIFICATES

- Fundamentals of Python Programming By NIIT (32 hrs)
- Python Workshop organized by Croma Campus
- Ethical Hacking Workshop by CEO of MASSMATIC Cyber Forensic & Information Security
- Talk on: "Scenario of Drone Industry And Future In India"
- Backend Master Class [Golang + Postgres + Kubernetes + gRPC]

INTERESTS AND ACTIVITIES

- Learning Japanese, currently at beginner level (3.5/10)
- Writing small scripts for linux desktop workflow to make daily tasks automated and easy
- Occasional Photography and Photo editing
- Reading and watching tech, productivity, privacy and security blogs and videos
- Learning and trying new technologies. frameworks, tools and open source softwares
- Occasionally drawings and sketchings
